THE MOST EXCITING
SHORT STORIES ON TV

200 international clips

601 PRODUCTION is a new company designed to enrich your TV programmes. We are working on two main business levels:

Licencing of high-quality international non-fiction programmes from short magazine clips up to large-scale documentaries plus a "half-fiction" game programme ("True or false").

The main stock comes from very successful daily or weekly broadcasts on the biggest TV station group in Europe: ProSieben/Sat1 Media AG.

(Co-)Production of entire formats on the basis of the above-mentioned programmes – from 30-minute magazines up to 90-minute prime time shows.

EDITORIAL

It is a wild world around us.

A world in which a man hires a killer to murder his wife – at least he tries to (WW 15). Women, by the way, are no better (WW 14).

A world full of terrible diseases – and doctors who can heal them (WW 43, 44, 45, 46 ...).

A world in which a man marries a woman four times his weight (WW 99), a woman falls in love with the DJ at her own wedding (WW 92), a fat man changes into a lean lesbian (WW 97).

A world in which a grown-up man plays with balloons all day long (WW 119), while a baby goes waterskiing (WW 141), in which one dog flies in a bi-plane (WW 155), while another is in love with a duck (WW 171).

Here you have a vast collection of emotional, bizarre, astonishing, tragic, funny, curious, yet always touching stories.
